

## ENTRANCE ANTIPHONS – Easter Season

47. When the people are gathered, and as the Priest enters with the Deacon and ministers, the Entrance Chant begins. Its purpose is to open the celebration, foster the unity of those who have been gathered, introduce their thoughts to the mystery of the liturgical time or festivity, and accompany the procession of the Priest and ministers.

48. This chant is sung alternately by the choir and the people or similarly by a cantor and the people, or entirely by the people, or by the choir alone. It is possible to use the antiphon with its Psalm from the *Graduale Romanum* or the *Graduale Simplex*, or another chant that is suited to the sacred action, the day, or the time of year, and whose text has been approved by the Conference of Bishops.

The entrance antiphons are the first texts we read or hear when we come to celebrate Eucharist. The text is often taken from one of the psalms – the songs of the Hebrew people. It is wonderful if we can sing the words, savour them, let them sink in as we meditate on them.
